1. GETTING STARTED – HOW TO LOG IN

WEB ADDRESS

Open your web browser and head to <https://www.igard.biz>

On first loading of this page you will see there is nowhere to enter a username or password. *(Screen displays may differ depending on your user credentials)* Click on any of the below buttons and you will be asked to enter your username and password that were given to you by your system administrator.

A login form titled 'Please Login' in a blue header. Below the header are two input fields: 'Username' and 'Password'. Both fields have a red border when empty and turn blue when text is entered. Below the password field is a 'Reset Password' link. At the bottom of the form are two buttons: a blue 'Login' button and a white 'Cancel' button with a grey border.

You will then be presented with a box to enter your details.

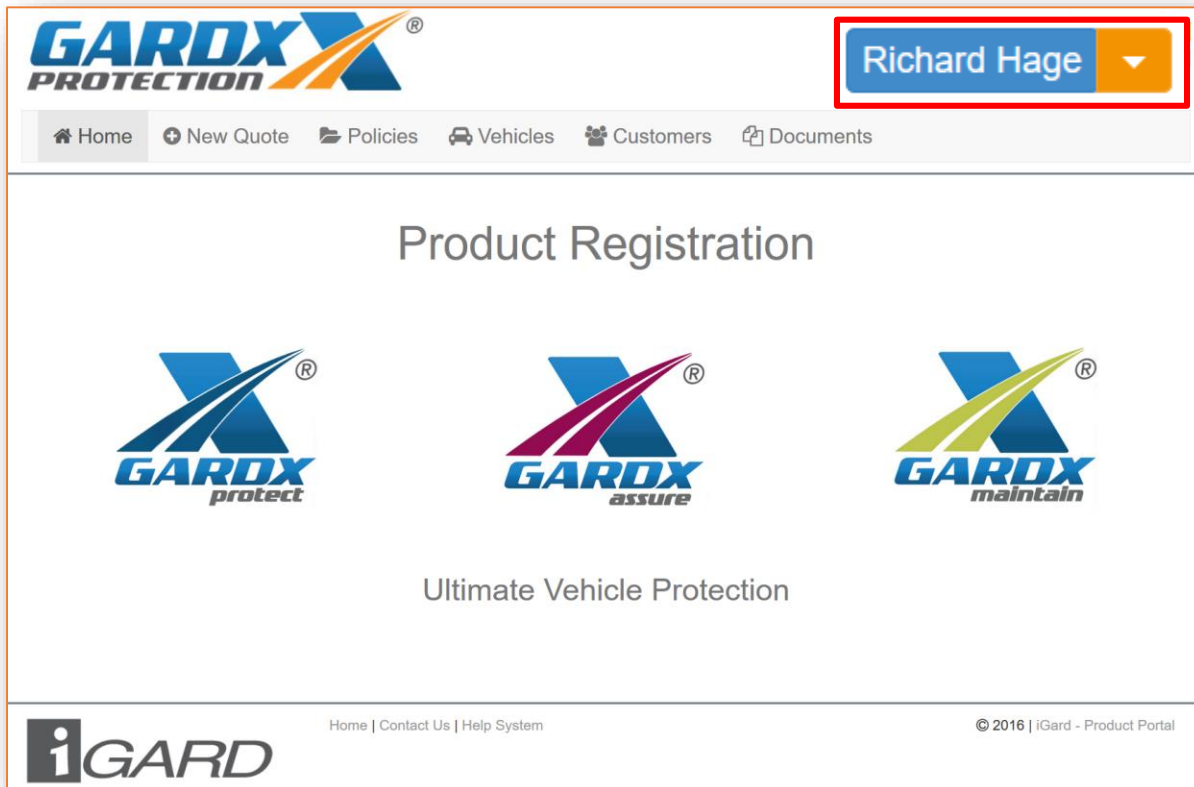

The red boxes turn Blue once you start entering the information.

The "Login" button then becomes available to press and this completes the login.

Once you have entered your details you will be presented with the screen from which ever button you pressed. *(If you pressed the Policies button then that will be the first screen you will see once logged in)*

MAIN PAGE

Once you have logged in you will be able to see your name in the top right of the screen (**red box**) and the main **Home** or **Product Registration** screen if you click the "Home" button. This screen is your portal to the GardX website through the large **GardX Protect** & **GardX Maintain** icons with the **GardX Assure** icon taking you to the product details that you can offer to the customer.

GardX Protect takes you to: <https://www.gardx.co.uk/>

GardX Assure takes you to: <http://www.gardxassure.co.uk/>

GardX Maintain takes you to: <https://www.gardx.co.uk/>

page, the Contact Us page shows who to contact for customer service & claims on different products.

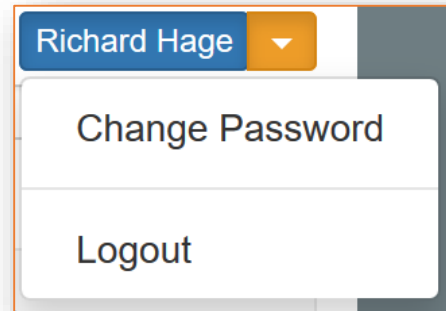

Clicking on the Help System link will bring you to this User Guide which you can view online or download and view at any time.

2. LOGGING OUT & CHANGING THE PASSWORD

To log out of the Product Registration Software click the Orange button next to your username on the home screen and select "Logout". A confirmation box appears and clicking yes to this logs you out.

You will be required every 90 days to change your password. This follows the same path for Logging out on the home screen by clicking the small Orange box next to your username but this time selecting "change Password"

A screenshot of the "Change Password" form. The form has a blue header with the text "Change Password" in white. Below the header, there are two input fields. The first is labeled "New Password" and contains ten black dots. The second is labeled "Repeat Password" and contains ten black dots with a vertical cursor at the end. At the bottom of the form, there are two buttons: a blue "Change Password" button and a white "Cancel" button with a gray border.

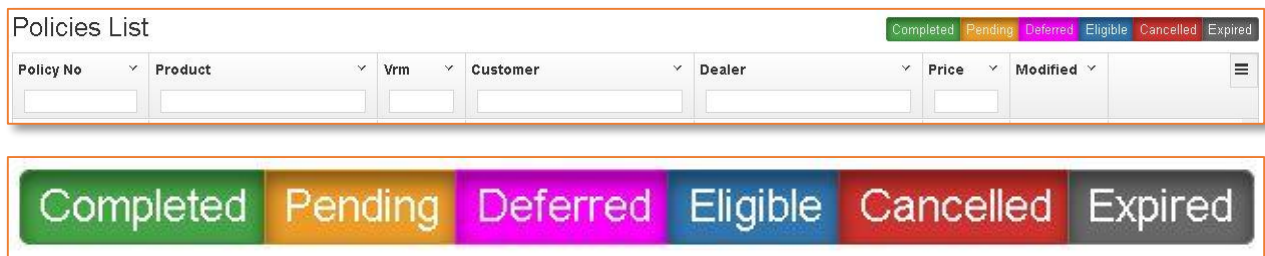

The change password box appears prompting you to enter a new password which you must repeat for confirmation and then click the Blue "Change Password" button that will become available once a new password is entered.

You will receive a message advising the password has been changed and that an email was sent to your registered email address advising you of the change.

3. HOME PAGE MAIN BUTTONS

The main page buttons. Policies, Vehicles & Customers gives you a list of the last registered products and each one has its own dedicated search bar at the top of the list. These search bars have separate boxes above each column & as you enter details in them the list below automatically filters the selection.

The Policies list is the only one with its own colour referenced filter set and this enables you to easily filter & see certain states of policies.

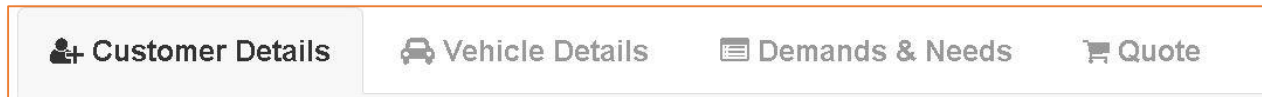

The Documents button will take you to a list of the policy certificates and also a summary the purchased products.

See 13. Documents Tab.

4. NEW QUOTE

NOTE: There is no set order to creating a New Quote you can start with any of the tabs

A horizontal navigation bar with four tabs: 'Customer Details' (with a person icon), 'Vehicle Details' (with a car icon), 'Demands & Needs' (with a list icon), and 'Quote' (with a shopping cart icon). The 'Customer Details' tab is currently selected and highlighted.

Make sure each TAB is fully completed before clicking to the next one

AVAILABLE PRODUCTS

The New Quote button takes you to a new page which lists the available products at your dealership & customer details data entry,

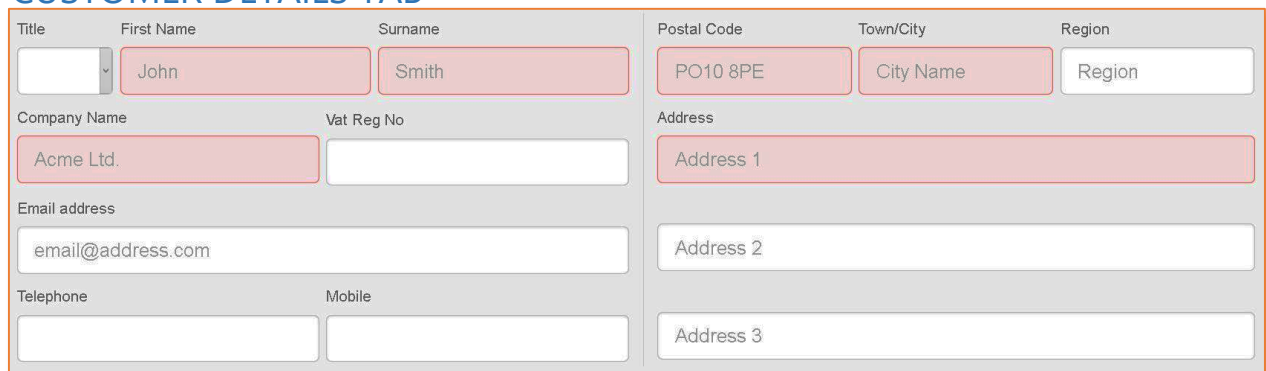

Please select the product(s) you are interested in:

- Tyre and Alloy Wheel Protection
- Tyre Protection
- Alloy Wheel Protection
- GAP Products
- C.A.R.S. Plus
- BMW ProtectX

These can be selected once the **SODAN** questions have been fully completed. *(If your dealership has its own Demands & Needs questionnaire for your customers then you should be able to select these straight away & the D&N tab will not be visible)*

CUSTOMER DETAILS TAB

A form for entering customer details. Fields are arranged in a grid. Red boxes indicate mandatory fields. The 'Title' field is a dropdown menu. The 'Company Name' field contains 'Acme Ltd.'. The 'Email address' field contains 'email@address.com'. The 'Address' field is split into three rows: 'Address 1', 'Address 2', and 'Address 3'. The 'Postal Code' field contains 'PO10 8PE'. The 'Town/City' field contains 'City Name'. The 'Region' field contains 'Region'.

The boxes in Red are mandatory and must be completed. Some web browsers store suggestions of previously saved names which can help to choose the details faster.

An email address is not mandatory nor are telephone numbers but a warning box will appear prompting you to obtain at least one of these.

CUSTOMER TYPES

The details of this tab change based on what you choose, so for

A horizontal row of three buttons: "Individual", "Business", and "Sole Proprietor". The "Individual" button is highlighted in orange.

example if you choose "Individual" in the customer type boxes then you will not be asked to enter a company name or contact in the mandatory boxes. "Sole Proprietor" just asks for a company name.

A horizontal row of two buttons: "Male" and "Female". The "Male" button is highlighted in orange.

Adding one of the first four titles to the customer automatically completes the gender boxes & you will see one of these highlight in Orange based on the title you choose. Manual selection for the other listed titles will be required.

ADDRESS & POSTCODE

To complete the customers address you can simply type in the post code or the first line of the address in the relevant box. These boxes are PCA Predict enabled which means they should show addresses similar to what you are entering so just scroll through the suggestions and choose the correct listing.

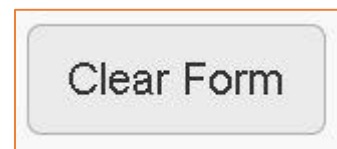

A text input field labeled "Postal Code" containing the text "PO10 8PE".

A text input field labeled "Address" containing the text "Address 1".

NEW CUSTOMER & CLEAR FORM

Should you want to remove all the details from the current tab use the "clear form" button, however if

A rectangular button with rounded corners and a grey background, containing the text "Clear Form".

A rectangular button with rounded corners, a red background, and a white border. It contains a white icon of a person with a plus sign and the text "New Customer".

you wish to completely start again and clear ALL information from ALL the tabs then use the "New Customer" button.

In both cases of pressing these buttons you will be presented with a “Please Confirm” box & confirming will perform the desired action.

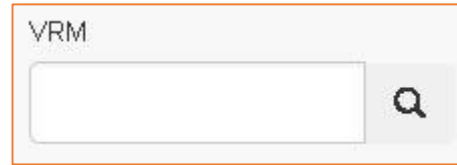

In the bottom left corner of the tab are some tick boxes. The first one is ticked by default & is relevant if the customer is considering purchasing GAP products. Unticking this removes GAP products from being selected.

- Customer confirms he/she is over 18 years of age and a UK resident
- Customer wishes to be excluded from future business correspondence

The other tick box is self-explanatory & you should ask the customer about this at the time of sale.

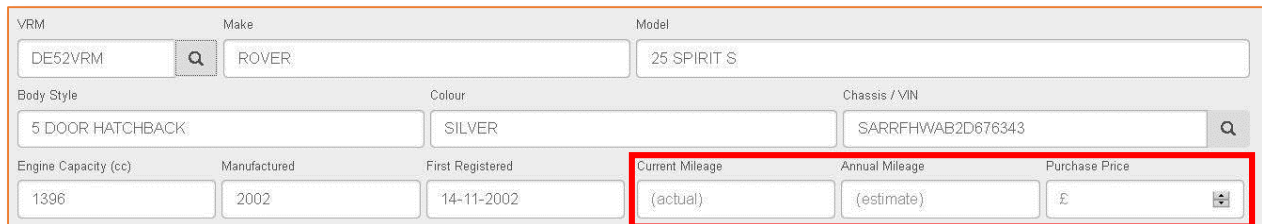

5. VEHICLE DETAILS TAB

The Vehicles Details tab is where all the details for the vehicle being sold are stored. Enter the vehicle registration mark in the VRM box and press the magnifying glass.

A search box labeled 'VRM' with a magnifying glass icon on the right side.

If the registration number is valid and currently on the DVLA database list then most of the vehicle details are completed automatically.

A form showing vehicle details. The 'Current Mileage' field is highlighted with a red box. The form includes fields for VRM, Make, Model, Body Style, Colour, Chassis / VIN, Engine Capacity (cc), Manufactured, First Registered, Current Mileage, Annual Mileage, and Purchase Price.

VRM	Make	Model			
DE52VRM	ROVER	25 SPIRIT S			
Body Style	Colour	Chassis / VIN			
5 DOOR HATCHBACK	SILVER	SARRFWAB2D676343			
Engine Capacity (cc)	Manufactured	First Registered	Current Mileage	Annual Mileage	Purchase Price
1396	2002	14-11-2002	(actual)	(estimate)	£

You will need to just add the current mileage from the vehicle odometer, ask the customer on the estimated annual mileage & add the purchase price of the vehicle (**Red Box**).

Similarly it is also possible to search for a vehicle from a VIN number.

The fuel type is automatically selected based on the details from the VRM box & will be highlighted in Orange but you can change the type manually if required.

A 'Fuel Type' selection box with buttons for Other, Electric, Hybrid, Gas, Diesel, and Petrol. The 'Petrol' button is highlighted in orange.

VEHICLE TYPE

A 'Vehicle Type' selection box with buttons for LCV, Leisure Vehicle, Motorcycle, and Car. The 'Car' button is highlighted in orange.

Enter the vehicle type based on what it is by clicking the appropriate box.

SALES TYPE

Also click on the sale type box to distinguish between New & Used sales.

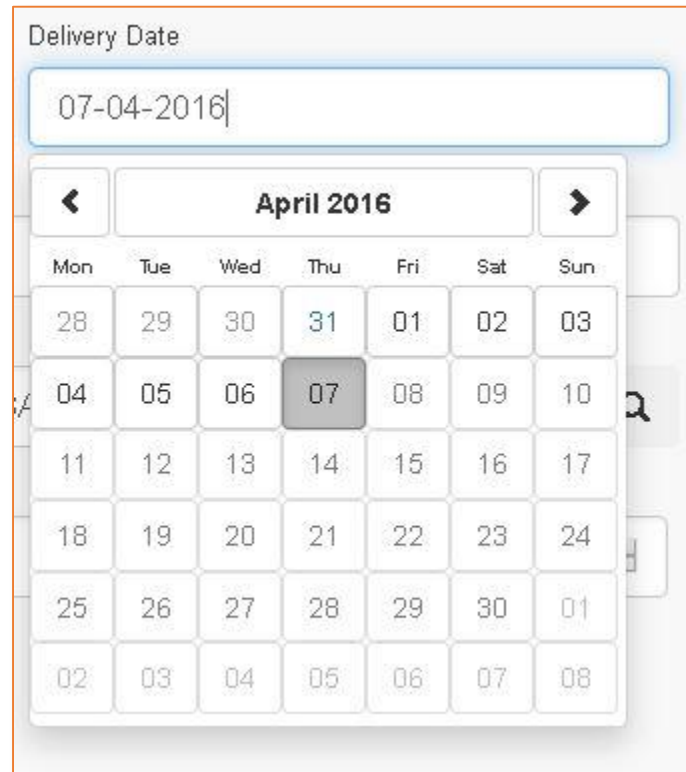

Sale Type

New Used

The image shows a 'Sale Type' selection box with two buttons: 'New' (grey) and 'Used' (orange).

DELIVERY DATE

Enter the expected delivery date of the vehicle. By clicking on this box a calendar will appear and you will be able to pick a date 7 days either side of the current date.

The image shows a 'Delivery Date' selection box with a text input field containing '07-04-2016'. Below the input field is a calendar for April 2016. The date '07' is highlighted in grey.

TYRE TYPE

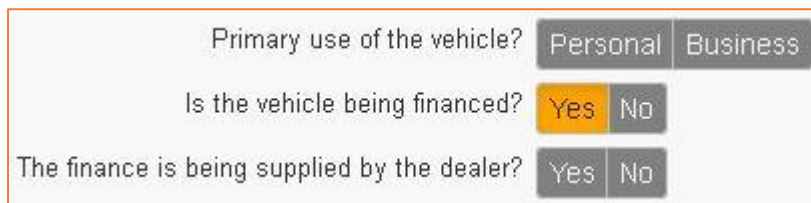

Click on the box that represents the tyres fitted to the vehicle being sold. The chosen type is highlighted in Orange.

Tyre Type

Non Run Flats Run Flats

The image shows a 'Tyre Type' selection box with two buttons: 'Non Run Flats' (orange) and 'Run Flats' (grey).

Primary use of the vehicle? Personal Business

Is the vehicle being financed? Yes No

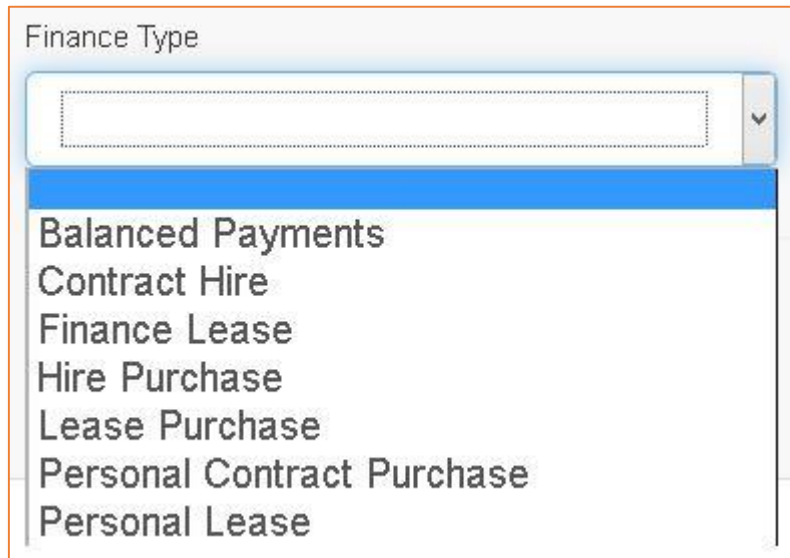

The finance is being supplied by the dealer? Yes No

The image shows a form with three questions and their respective options. The 'Yes' option for 'Is the vehicle being financed?' is highlighted in orange.

In the middle of the tab are three questions relating to the primary use and finance of the vehicle (if applicable).

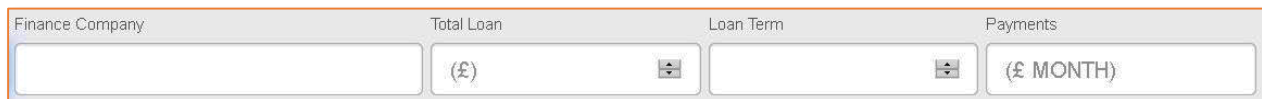

FINANCE TYPE

If the vehicle is being financed then clicking yes will display another 5 boxes relating to the finance arrangements. The first box (**finance type**) will present you with a drop down list of different finance types.

The image shows a dropdown menu titled "Finance Type". The menu is open, displaying a list of seven options: "Balanced Payments", "Contract Hire", "Finance Lease", "Hire Purchase", "Lease Purchase", "Personal Contract Purchase", and "Personal Lease". The first option, "Balanced Payments", is highlighted with a blue background.

Choose the type that represents the finance for that vehicle.

The image shows a row of four input fields for finance details. From left to right: "Finance Company" (a text box), "Total Loan" (a text box with a pound sign "£" and a spinner icon), "Loan Term" (a text box with a spinner icon), and "Payments" (a text box with a pound sign "£" and the word "MONTH" in parentheses, and a spinner icon).

The remaining 4 finance boxes allow you to manually enter the details of the finance company supplying the finance along with the total amount for the loan, the term of the loan and the monthly repayments.

6. SODAN TAB (STATEMENT OF DEMANDS AND NEEDS)

NOTE: NOT ALL DEALERS WILL HAVE THIS TAB

On the next tab you will see 8 questions that help to establish the demands and needs of the customer. The answers to these questions are designed to select or exclude particular products that your dealership offers.

Customer Details Vehicle Details **Demands & Needs** Quote New Customer

Please select

Yes No Is the vehicle used as a taxi, for private hire, courier services or haulage?

Yes No If your prospective new vehicle's bodywork was damaged as a result of a dent, stone chip, scratch or scuff, would a product that could cosmetically repair these damages be of interest to you?

Yes No If the tyres on your prospective new vehicle were to suffer punctures, malicious or accidental damage which resulted in them needing repair or replacement, would the unexpected expense of this situation be a concern to you?

Yes No If the alloys on your prospective new vehicle were accidentally scuffed due to kerbing, potholes etc., would a product that could cosmetically repair them be of interest to you?

Yes No Will you be insuring your prospective new vehicle with a fully comprehensive insurance policy from a UK based insurer?

Yes No Is the vehicle you intend purchasing fitted with alloy wheels?

Yes No If your vehicle is classified as a total loss by your road risk insurance, are you responsible for making up any shortfall up to the original invoice price or the outstanding finance?

Yes No If your finance settlement figure was higher than the amount paid by your road risk insurer, which in turn would leave you a shortfall to pay the finance company, would this concern you?

NOT AVAILABLE SYMBOL

Click YES to the first question. You will notice that the products at the top of the page with the exception of VPS / BMW ProtectX will all have "not available" symbol now.

Please select the product(s) you are interested in:

Tyre and Alloy Wheel Protection C.A.R.S. Plus VPS GAP Products C.A.R.S.

★ Recommended Available Not Available

Some products are not available due to age, mileage or usage restrictions.

YELLOW STAR

Clicking NO will now show what products are recommended for sale as denoted by a yellow star. Some products may not be available based on the age or mileage of the vehicle being sold.

Please select the product(s) you are interested in:

Tyre and Alloy Wheel Protection C.A.R.S. Plus VPS GAP Products C.A.R.S.

The options for available products change based on the SODAN answers.
NOTE: *you do not have to answer these questions in order, as the list of available products will still be correct no matter which question is answered first but **ALL questions must be answered.***

ANSWERING A SODAN QUESTION

Answering a question will highlight the answer in Green so that there is a visual indication the question has been answered whether it was answered yes or no.

Yes No

If your prospective new vehicle's bodywork was damaged as a result of a dent, stone chip, scratch or scuff, would a product that could cosmetically repair these damages be of interest to you?

NOTE: *Not all dealers need the SODAN, in which case the buying process is exactly the same with the exception that all the products will be available straight away (subject to age & mileage). You can choose the products the customer wants & complete the customer & vehicle details tabs in which ever order you wish and click the Quote tab to purchase the desired products.*

★ Recommended Available Not Available

Click on the products the customer is interested in. If the customer does not want to purchase them at the time of sale you can click the “buy” button but do not confirm them. This will generate a quote for the products in the fulfillment documentation.

7. QUOTE TAB

If your dealership elects NOT to use this systems built in SODAN questions then ALL products that your dealership sells will be available otherwise the quote tab displays a list of the products that are recommended, available or not available based on the answers given in the SODAN questions (*subject to dealer*), age, usage & mileage of the vehicle.

The screenshot shows a software interface with a navigation bar at the top containing tabs: Customer Details (green), Vehicle Details (green), Demands & Needs (green), Quote (grey), and a New Customer button (red). Below the navigation bar, a section titled 'Available Products' (with a green checkmark icon) displays a table of product options.

GREEN TABS

Notice the customer details, vehicle details and demands & needs tabs have all turned Green. This indicates the tab is completed correctly & all the data is saved.

The Quote Tab will have 3 levels of products to show in separate areas.

★ Recommended Products

RECOMMENDED PRODUCTS

Are those which are recommended for this vehicle based on the age, mileage & use of the vehicle.

✓ Available Products

AVAILABLE PRODUCTS

Are those that are available immediately based on (*subject to dealer*) the answers from the SODAN questions.

NOT AVAILABLE PRODUCTS

Are those that, based on the answers from the SODAN questions or age, usage & mileage of the vehicle cannot be selected for purchase.

 Not Available Products

If the product is not shown in a separate Not Available Product area then hover your mouse over the “Not Available Products” symbol for an explanation as to why that particular product is not available for purchase.

DVP (DEALER VARIABLE PREMIUM)

Dealer variable premium is a means for some dealers to be able to adjust the sale price of a product. On the Available products page of the quote tab you will notice that the price boxes are in Red and the suggested retail price will show in the box.

C.A.R.S Plus	12 months	16-04-2016	6	n/a	£25	<input type="text" value="0"/>	
C.A.R.S Plus	24 months	16-04-2016	12	n/a	£25	<input type="text" value="0"/>	
C.A.R.S Plus	36 months	16-04-2016	18	n/a	£25	<input type="text" value="0"/>	

Hover the mouse over the red box for an indication of the lowest suggested selling price of the product. You can directly enter the price for the product into this box or use the arrow keys to adjust the price accordingly.

Once the price is entered the box turns Blue & the Orange buy button is available to be clicked to purchase the product.

THE BUY BUTTON

Click the "Buy" button to purchase a product.

Once the buy button has been clicked the product is removed from the list of recommended / available products and is moved to the "Selected Products" box at the very bottom of the tab.

The screenshot shows a web interface with a top navigation bar containing 'Customer Details', 'Vehicle Details', 'Demands & Needs', 'Quote', and 'New Customer'. The main content is divided into two sections:

9. ADDING / BUYING PRODUCTS

If only 2 of 3 selected products have actually been purchased you can select the final product via the Policies screen.

This will show you a list of all the policies currently on the system and they are colour coded for easy identification and filtering.

COLOUR CODED POLICIES

To filter the list based on policy status you simply click on the colour representing the items you do not want in view. So if all the colours are showing you will see all policies however if only the red colour is showing you will only see the Cancelled policies.

In the example below you can see there are 2 Green policies & 1 Yellow.

Policies List								Completed Pending Deferred Eligible Cancelled Expired			
Policy No	Product	Vrm	Customer	Dealer	Price	Modified					
UQVCG-0000325	VPS	NA65LJJ	Jason Smith	Citygate Chalfont	£100.80	31 Mar 2016	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
UQPCG-0000324	C.A.R.S. Plus	NA65LJJ	Jason Smith	Citygate Chalfont	£283.42	31 Mar 2016	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

The 2 Green policy numbers are the products the customer already purchased by you ticking the "confirm" boxes & these are "Completed" purchases. The Yellow policy number is a "Pending" purchase.

BLUE EDIT BUTTON

To purchase any Pending policy click the blue edit button in the last column or the grey info button.

Pressing the blue edit button will take you back to the list of available products (**check the product you want to purchase is selected in the products list-Red box**) then press the Blue Buy button.

BLUE BUY BUTTON

Pressing the Blue buy button will take you to the selected products section and from there you can put a tick in the "confirm" checkbox to complete the purchase. Print, email or download the fulfillment details for the customer to have a copy.

GREY INFO BUTTON

Pressing the Grey "Info" button will present you with a details page with info of the product, Vehicle & Customer. At the bottom of this page you will find the Blue edit button and pressing this will take you to the Available products page and you follow the same steps as above.

CONFIRM BUTTON

Alternatively for pending policies (Yellow) you can press the confirm button & this will confirm the purchase immediately & the customer schedule will show on the screen.

DOCUMENT. PRINT, EMAIL & DOWNLOAD

The Green buttons allow you to Print, email to any email address or download to the computer you are using the fulfillment

documentation. This gives you 3 different options by which to give the customer the required documentation for the policies they have purchased.

EXTRA PURCHASES AFTER INITIAL PURCHASE

If a customer has purchased VPS and C.A.R.S PLUS, then a few days later decided to purchase Complete Tyre & Wheel you can click on the Blue Edit button on the pending policy for that customer to open the Available Products page and follow the steps as for "[The Buy Button](#)" OR click the Grey Info button & then click the confirm button.

Pending Policies are Yellow in the Policies Tab,

If however there are not any pending policies, any further purchases will be dealt with as a new product purchase and you can load their customer and vehicle data using the copy button then proceed to the Quote tab and follow the process in the same way.

10. CANCELLING PENDING (YELLOW) POLICIES

If a customer should want to cancel a policy they have recently purchased but have not yet been confirmed, find the Yellow policy in the policies tab under the customer name and click on the Grey Info button.

Clicking this will take you to the Info page and at the bottom are a set of buttons of which the cancel button is one of them.

CANCELLATION BOXES

Clicking this will present you with 3 boxes that need to be completed before a policy can be cancelled.

- A cancellation Date
- A cancellation Reason
- Who will be refunding the premium

Enter the date that you wish to cancel the policy from.

The cancelled policy shows up Red in the policies tab once cancelled & only the info button is available for that policy.

NOTE: You have 24 hours from purchase to cancel a policy after that only Admin can cancel a policy.

12. USING THE SEARCH BARS

The search bars on the Policies, Vehicles & Customers buttons are live which means they update the results as you type the details into them.

UQGCG-00000227	GAP Products	FV61GTZ	Jonas Hawkins	Citygate Chalfont	£201.36	8 Mar 2016							

SEARCH FUNCTION

The search function in the policies tab starts with the first letter & moves forward from there. You can see here all customers with the first name of Jonas are listed so if you added the letter H after, then all customers' names going forward from Jonas H will be displayed.

Here we extended the search criteria to target specifically GAP products purchased by customers called Jonas by adding the letter G to the product search box.

Narrow the search further by the addition of a surname or even add the policy number directly if you have it.

ASCENDING / DESCENDING SEARCH ORDER

There are more customizable options for the search bars which allow you to sort the order of your results either in ascending or descending order by clicking on the small arrow head (**Red Circle**).

Id ▼	Make ▼	Model
235	TOYOTA	PRIUS+ EXCEL + CVT
234	TOYOTA	PRIUS+ EXCEL + CVT
233	TOYOTA	PRIUS+ EXCEL + CVT
232	AUDI	A3 S LINE TDI
231	TOYOTA	PRIUS+ EXCEL + CVT
230	FORD	ESCORT L

By clicking on the name in some of the columns (**Red Box**) you will see a small solid filled arrow head appear. Clicking on this will enable you to quickly change the order of the list from ascending / descending.

To cancel this click the "Remove sort" from the drop down menu. (**Red Oval**)

Id ▼	Make ▲	
188	12	Sort Ascending
66	132	Sort Descending
52	Ad a veniar	Remove Sort
175	adfadf	Hide Column
210	ALFA ROM	
211	ALFA ROMEO	
207	ALFA ROMEO	

SHOW / HIDE COLUMNS

There is also the ability to show/hide any of the columns, clear all filters and export all or only visible data in a CSV format.

Click on the small square with the 3 lines in it (**Red Box**) on the right hand side of the search bar. This will show a dropdown list & from here you can select and deselect the columns you wish to display.

NOTE: *This only stays in this format whilst you are on the page. Navigating away to a different page and then returning will mean **ALL** columns will be displayed again.*

JUMP BUTTONS

At the very bottom of the page are the "Jump to" buttons. These are used for

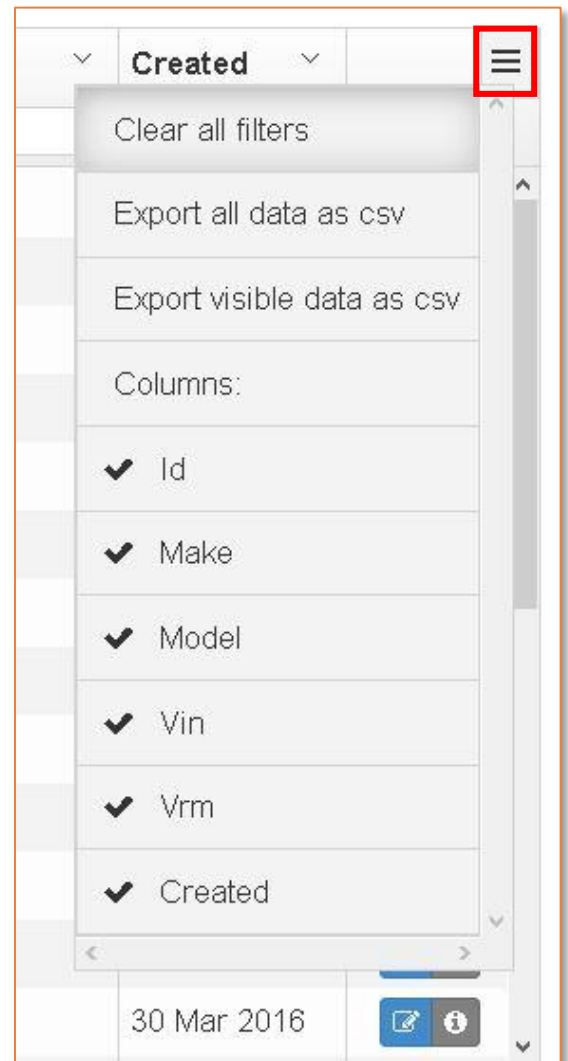

jumping to the end/beginning of ALL the pages of data or forward/back a page at a time or you can manually enter the page number to go straight to that page.

Next to the Jump buttons is the items per page display dropdown box.

25, 50 or 75 items per page are available.

On the very far right of the page there is the number of items currently in view on the page along with the total number of items. Here is shown 1 to 25 but if you choose 75 it will change and you would use the mouse wheel or right hand scroll bar to scroll through the list.

1 - 25 of 216 items

All the search bars for Policies, Vehicles and Customers work in the same way with just differences as to what columns can have the ascending/descending order changed

13. DOCUMENTS TAB

The Documents button takes you to a page where you can view either the policy summaries or the policy certificates for all the GardX products that your dealership offers to its customers.

These will always be the latest documents for these products.

14. COPYING DATA (REPOPULATING CUSTOMER & VEHICLE PAGES)

There may be a time when you need to re populate the customer and vehicle tabs with previously entered information. The quickest way to do this is to find the customer or vehicle details you wish to copy in the relevant tabs and click the Blue edit button. You will see if you hover your mouse over the button it will show you what it does.

When you do click the Blue edit button the information is instantly copied to the relevant tab. The information that has now been entered in the Customer or Vehicle tabs is editable so can be changed if need be.

IDLE TOO LONG

If you are logged into the system but have not been active for a while the system will display a notification advising that you are idle.

If you do nothing the system will automatically log you out and display a message to advise you.

Simply refresh the browser and log back in.

If you want to continue then press any button and you will be asked if you want to leave the current page.

Say yes and you will be taken back into the system and can continue.
